

Buying FUNCs via OpenLedger DEX

(FUNC-OPEN.BTC, FUNC-USD, FUNC-BTS, FUNC-OBITS and other open orders)

1. Enter your OpenLedger account or [create the new one](#)
2. Click on Exchange tab in the top menu (see below):

3. In the right top corner press Find markets tab field and enter **FUNC** in the CURRENCY 1 field. You will see the available markets for trading:

- Let's pretend that you are going to **buy FUNC for BTS**. Choose the **BTS** market and click on the **FUNC** to see the current prices
- Choose the appropriate **SELL ORDER** and click the **BUY** button*
